**Te Houhanga Rongo - A Path to Healing.**

A document named “**Vademecum: on Certain Points of Procedure in Treating Cases of Sexual Abuse of Minors Committed by Clerics**” was recently published by an office of the Vatican.

This Vademecum is a handbook or manual for investigations of sexual abuse against minors. Although it specifically provides for abuse of minors, it also highlights best practice for managing and responding to other complaints of abuse and misconduct.

**Te Houhanga Rongo - A Path to Healing** is currently being updated to ensure our own practices reflect the directives and/or expectations contained in the Vademecum handbook.
